Refer & Earn \$50

You can now earn \$50 for every creator you refer to KOMI. The more you refer, the more you earn.

Here's how it works:

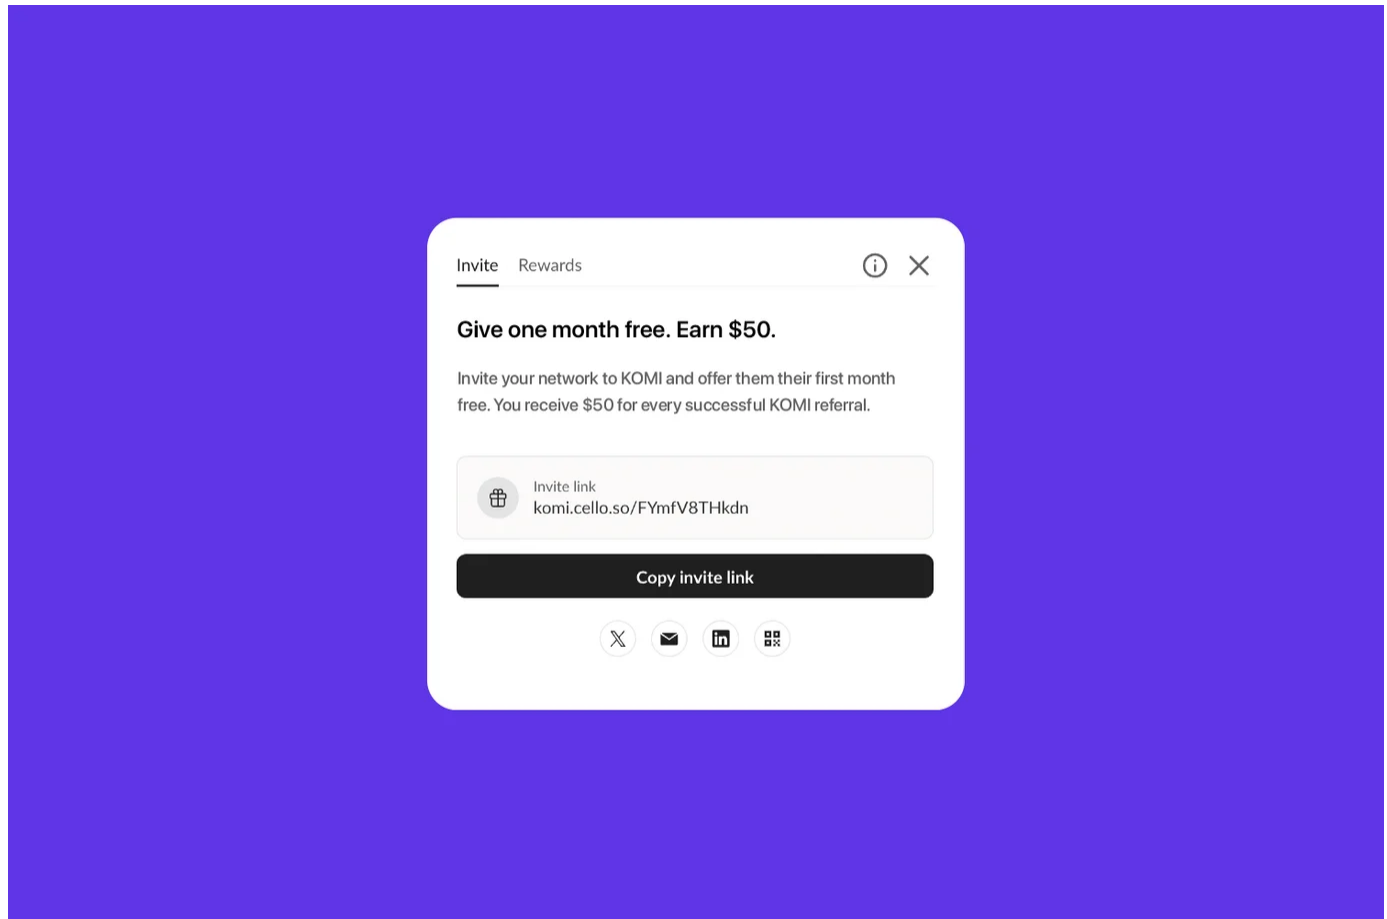

1. Share your unique referral link

Log into your account and locate the 'Refer a Friend' button on the menu. Copy and share your unique referral link with your network.

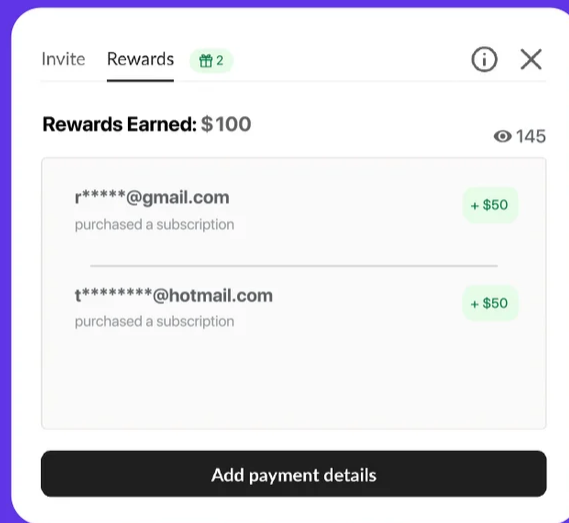

2. They sign up and activate their account

The referred user must take out a paid subscription to qualify for you to earn your referral fee.

3. You get \$50 straight to your account

No limits with how many you can refer (and how much you can earn!)

The more you refer, the more you earn.

To be eligible, your friend must sign up via your referral link. Referrals made outside of the rewards modal will not qualify.
